

Camp We-Kan-Tak-It

A musical comedy about life in Wisconsin's Civilian Conservation Corps
Celebrating the 75th Anniversary of the WPA

Recipient of the 2010 Wisconsin Major Humanities Grant
~Making Wisconsin Home~

"We Can Take It" was the national slogan for the Civilian Conservation Corps (CCC), one of the New Deal programs created by Franklin Delano Roosevelt. *Camp We-Kan-Tak-It* is a collaborative creation of Milwaukee Public Theatre and Voices Theater of Medford, WI. Presented in "living newspaper" style from the Works Progress Administration (WPA) Federal Theatre Project, this multi-media musical comedy is scripted from numerous Wisconsin CCC camp newspapers. Be sure to circle your calendar for a performance nearest you to become immersed in the everyday humor and struggles of CCC camp life and your own family's Great Depression-era experiences.
